Chief, Engineering Division, OC

Transfer of Property from RD-91 to RD-125, T.O. 5

1. Under terms of Contract RD-91 with the [redacted], two oscilloscopes, Tektronix, Model 514AD, serial numbers 5695 and 5707 were purchased. These oscilloscopes are no longer needed on the project and constitute a part of the residual inventory.

2. We have been informed by the contractor that these items are needed to assist in the completion of work being performed on RD-125, Task Order 5. It is therefore requested that accountability of the oscilloscopes described in Paragraph 1 above be transferred from RD-91 to RD-125, Task Order 5.
